

# SIZING CHART

This size chart is only a guide. If your height and weight combination falls into the grey area you may prefer the next size up. **This is especially true for the Rehab version.** XXL and special order XXXL are also available.

**Extended Length Inseam** is available for heights 6' and taller or those who wish to extend the compression protection further down the thigh to cover more of the hamstring and quadriceps muscles. Extended Length is 11" compared to the inseam of the regular length at 9" and is available for sizes Medium to 3XL.

SIZE	WAIST (inches)	WEIGHT (lbs)
XS / Youth	22 - 26	90 - 120
Small	26 - 30	120 - 150
Medium	30 - 34	150 - 185
Large	34 - 38	185 - 210
X-Large	38 - 42	210 - 235
2X-Large	42 - 46	235 - 260
